

Dear customer,

Hastings Deering Laboratory Services will be hosting a one-day course covering fluid analysis and using Oil Commander. Course will be run at Hastings Deering, 152 Port Curtis Road, Rockhampton on Thursday February 13, 2025.

The cost for this course is \$325 (excluding GST) per person and includes morning tea and lunch. Please complete the below form and return to Hastings Deering Laboratory Services product support.

Understanding SOS Results and Condition Monitoring Software

- Read and understand fluid analysis data
- Make recommendations based on analysis results
- Identifying abnormal wear, contaminants and oil characteristics
- Navigating Oil Commander
- Entering maintenance events and updating information

Course time will be 8.30am to approximately 3.30pm.
